The College operates a one-to-one device program. Oxford provide us with ebook access for our core subjects. All students will also have access to Education Perfect for all courses. Each year group is also charged a Resource Levy that provides for excursions, booklets and consumables that students will use throughout the year. **For Year 9 this Levy is \$320.00 per student and will be added to the first Term fees.** Other levies to be charged are those associated with the Year 9 Retreat, Year 9 Camp and private music tuition if applicable.

All other general stationery items can be easily and cheaply obtained from various stores.

For information on purchasing a device see the "Device" section of the College ICT portal found here www.ictatseton.com/devices
